This is an invitation to an on line webinar on Erasmus Projects in the Arab Academy for Science, Technology and Maritime Transport, 17th October 2020, Egypt (6:00 PM – 7:30 PM).

The Education, Audiovisual and Culture Executive Agency (EACEA) of the European Commission called to organize the Erasmus Days 2020 in its fourth edition on 15, 16 and 17 October, where all Erasmus+ beneficiaries are invited to organize events during these three days or to participate in the various activities organised all over Europe and beyond, which is a great opportunity to spread the word about running projects, share experience and showcase the impact of work, including seminars, partner meetings, photo exhibitions, concerts, radio shows, conferences, digital activities, etc. This year, due to the COVID-19 pandemic, the Erasmus Days 2020 mostly consists of online events.

To respond to the EACEA invitation for the Erasmus Day 2020, the AASTMT is organising an on line webinar at zoom on Saturday the 17th of October 2020, Egypt (6:00 PM – 7:30 PM) to disseminate the nine Erasmus+ running and about-to-run projects in its different campuses all over Egypt with the participation of the AASTMT president, AASTMT Vice-Presidents, AASTMT Deans, Academia, Industry, Intellectuals, Government Officials, Developers and Postgraduate Students.
